KS1 Ages 5-7

English

The Magic Faraway Tree: Enid Blyton

Journey up the Faraway Tree each week and explore its magical lands with Moon-Face, Silky and friends. Children build **early comprehension, vocabulary**, through shared reading, guided discussion and **fun creative activities**. We focus on understanding characters, retelling key moments and growing confidence with spoken and written English.

Knowledge Explorers

Weekly Themed Lessons

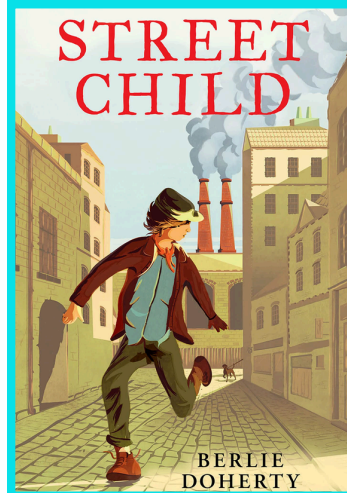

Help your child **explore** the world with exciting, hands-on learning! Each week we dive into a new topic—space, the ocean, weather, animals, history and more—through **stories, videos, discussion and simple activities**.

English

Street Child: Berlie Doherty

Explore Victorian London through Jim Jarvis's powerful story while building **comprehension, vocabulary, and paragraph-level writing**. We focus on character, context and using evidence from the text to develop clear, confident responses.

Art

Telling Tales

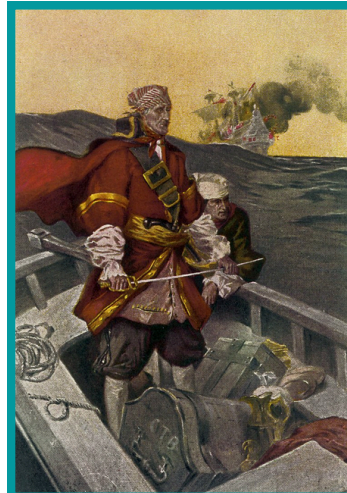

Create your own illustrated story or comic inspired by Beatrix Potter and Shaun Tan while learning **character design, layout, and visual storytelling**. We explore how pictures show emotion, sequence and atmosphere, building confidence with composition, colour and simple watercolour techniques.

Humanities

Trade, Treasures and Thieves

Journey from Atlantic trade routes to famous stolen treasures as we explore **historic trading networks, looted artefacts**, and **notorious pirates**. Learners build **history, geography and critical thinking skills** through timelines, maps, debates and creative tasks, uncovering who traded what, who stole what, and why these stories still matter today.

Geography

Migration

Discover why humans and animals move across the world, exploring **seasonal journeys, push-pull factors, borders and habitats**. Learners build **map skills, geographical understanding and empathy** through case studies, stories and creative tasks that bring global migration to life—from monarch butterflies to families seeking new homes.

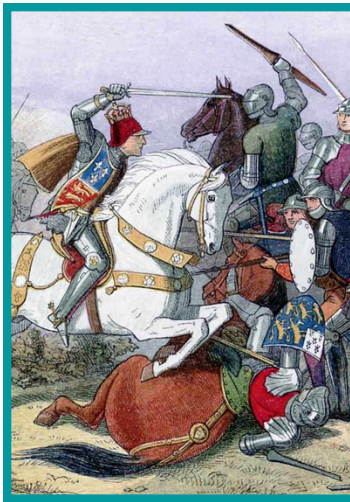

UKS2/KS3 Ages 9-13

UKS2/KS3 Ages 9-13

History Medieval England

Explore the dramatic events that shaped the Middle Ages—from 1066 and the Norman Conquest to the Black Death, rebellions and royal power struggles. Learners develop **historical enquiry and source analysis skills** through timelines, artefacts and vivid stories that bring this turbulent era to life.

KS3 Ages 11-14

English The Book Thief Markus Zusak

Study this powerful story set in Nazi Germany over a full 12 weeks, exploring themes of **courage, loss and the power of words**. Learners develop **analysis, essay writing and critical reading skills** through close study of characters, narrative voice and historical context, bringing depth and confidence to their English work.

Creative Writing

Unlock your imagination through weekly writing challenges that explore **character, setting, description and dialogue**. Learners **build confident writing voices, stronger vocabulary and storytelling skills** as they experiment with different genres—from suspense to fantasy to real-world drama. A supportive space to create, share ideas and develop crafty, compelling writing.

Art Colour & Emotion

Explore how colour and brushwork express feelings as you experiment with **warm and cool palettes, expressive techniques and abstract composition**. Inspired by Kandinsky and Rothko, learners **build confidence with painting, personal expression and visual decision-making** while creating a bold abstract artwork that represents an emotion.

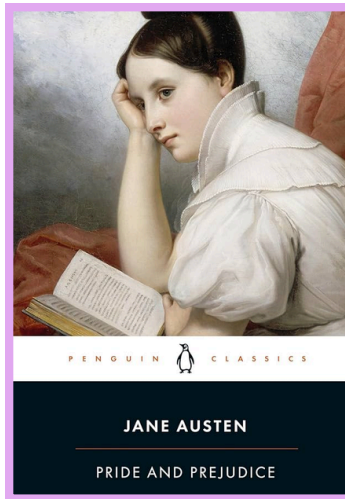

KS4/GCSE Ages 14-16

English

Pride and Prejudice: Jane Austen

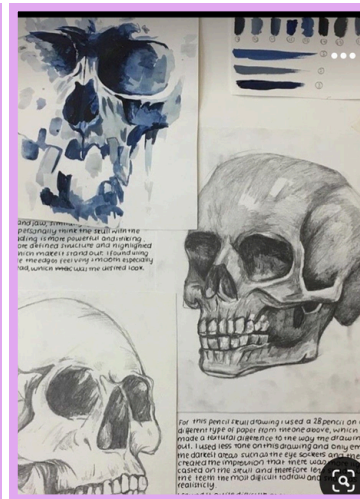

Dive into Austen's world of wit, romance and social expectation while building **confident analysis, essay writing and exam-ready reading skills**. Over 12 weeks, learners explore **themes, context, character development and Austen's sharp narrative voice**, developing strong critical responses and a clear understanding of this classic GCSE text.

Art

Drawing Mastery

Strengthen your drawing through focused work on **tone, proportion and expressive mark-making**, inspired by Leonardo da Vinci and Jenny Saville. Learners **build confident observational skills** using charcoal, ink and pencil, creating a detailed still life or expressive drawing series to showcase their technique.

Sociology

Explore big questions about **identity, power and inequality** while discovering why people behave the way they do. Learners investigate **rules, opportunity, crime, deviance and social research**, building confidence through real-life case studies and discussion. A perfect foundation for anyone considering **GCSE Sociology**, or who simply loves understanding how society works.

Bronze Arts Award

Units 1 & 2

A creative introduction to Bronze Arts Award where learners design their own **Fantasy Bedroom project**, explore an art form in depth, and complete fun **arts reviews**. They build research, reflection and communication skills while keeping an arts log and developing confidence as young artists beginning their Bronze journey.

Explore Arts Award

Units 1 & 2a

A playful introduction to Explore Arts Award where learners complete the **Inside & Outside Me project**, create a bold **Big Mouth artwork**, and discover **Henri Rousseau** to make their own colourful jungle scene. Along the way they **build creative skills, research confidence and reflection** as they record their journey in an arts log.

Arts Award

Art All Levels

Watercolour Cityscapes and Skylines

Explore the atmosphere of the city through **sunset skies, rainy streets, glowing night scenes and iconic landmarks**. Learners build confidence with **gradients, pen-and-wash details, glazing, contrast and reflections**, creating expressive urban artworks from skylines to bridges over water.

Inspire

Explore a new artist each week and try their techniques for yourself. This term includes **Caravaggio, Nick Cave, Wangechi Mutu, Sophie Green, Molly Burke and Lora Zombie**, with projects ranging from chiaroscuro still life and surreal collage to wildlife painting, textured sensory art and bold pop-grunge ink work. A fun, creative class that builds **confidence, style exploration and expressive skills**.

Fashion Illustration Fantasy and Sci-Fi Fashion

Design bold, imaginative outfits inspired by fantasy and futuristic worlds. Learners explore **mood boards, character design, unusual materials, dramatic silhouettes and environmental backdrops**, building skills in **concept art, proportion and creative thinking** as they develop their own original character and costume illustrations.

Draw Under The Sea

Build drawing confidence through weekly underwater subjects, from **sea turtles and seahorses to submarines, coral scenes and whales**. Learners practise **shape, proportion, line work and shading** while creating fun, characterful drawings that explore the amazing world beneath the waves.
